Dear Ted and Mrs. Rezenhardt;

I have received bad news during my life but Teddy's death hit me harder than any thing that I can recall.

I realize what he meant to both of you and also know how you two will miss him but please don't let it get the best of you, Ted. here's one time you are going to have to keep a stiff upper lip, I know it will be hard for you; and this will be your hardest fight so please brace up.

Mrs. Rezenhardt please help Ted. in every way you can, because this happening might cause him to have another break down and if it does I'm afraid it will get the best of him - Again I offer my deepest sympathy to you -

always  
Ben Pott -
